Each Tiny Spark Pablo Cartaya, 2019-08-06 From award-winning author Pablo Cartaya comes a deeply moving middle grade novel about a daughter and father finding their way back to each other in the face of their changing family and community. A SCHNEIDER FAMILY BOOK AWARD HONOR FOR MIDDLE GRADE Emilia Torres has a wandering mind. It's hard for her to follow along at school, and sometimes she forgets to do what her mom or abuela asks. But she remembers what matters: a time when her family was whole and home made sense. When Dad returns from deployment, Emilia expects that her life will get back to normal. Instead, it unravels. Dad shuts himself in the back stall of their family's auto shop to work on an old car. Emilia peeks in on him daily, mesmerized by his welder. One day, Dad calls Emilia over. Then, he teaches her how to weld. And over time, flickers of her old dad reappear. But as Emilia finds a way to repair the relationship with her father at home, her community ruptures with some of her classmates, like her best friend, Gus, at the center of the conflict. Each Tiny Spark by Pablo Cartaya is a tender story about asking big questions and being brave enough to reckon with the answers.

Marcus Vega Doesn't Speak Spanish Turtleback Books Publishing, Limited, 2019-07-09

The Epic Fail of Arturo Zamora Pablo Cartaya, 2018-04-03 A 2018 Pura Belpré Author Honor Book Save the restaurant. Save the town. Get the girl. Make Abuela proud. Can thirteen-year-old Arturo Zamora do it all or is he in for a BIG, EPIC FAIL? For Arturo, summertime in Miami means playing basketball until dark, sipping mango smoothies, and keeping cool under banyan trees. And maybe a few shifts as junior lunchtime dishwasher at Abuela's restaurant. Maybe. But this summer also includes Carmen, a poetry enthusiast who moves into Arturo's apartment complex and turns his stomach into a deep fryer. He almost doesn't notice the smarmy land developer who rolls into town and threatens to change it. Arturo refuses to let his family and community go down without a fight, and as he schemes with Carmen, Arturo discovers the power of poetry and protest through untold family stories and the work of José Martí. Funny and poignant, *The Epic Fail of Arturo Zamora* is the vibrant story of a family, a striking portrait of a town, and one boy's quest to save both, perfect for fans of Rita Williams-Garcia.

Pablo Neruda Monica Brown, 2011-03-29 Describes the life and times of the Nobel Prize-winning Chilean poet.

The Last City Pablo Ortiz Monasterio, 1995 A collection of photographs of day to day life in Mexico City, attempting to

capture its mixture of tradition and modernity.

The Memory of Pablo Escobar James Mollison, Rainbow Nelson, 2007 The extraordinary story of the richest and most violent gangster in history--from his youth, his bid for political power, his domination of the world's cocaine trade, his campaign against the Colombian state during which thousands died, his imprisonment in a luxurious private jail, his escape, through to his eventual capture and shooting--is told in hundreds of photographs gathered by photographer James Mollison in Colombia. Exhaustively researched, this visual biography includes photographs from Escobar family albums, pictures by Escobar's bodyguards, pictures from police files (both shot by the police and taken in raids on Escobar's premises) and snapshots by the Federal Drug Administration officer who helped hunt Escobar down. The book's illuminating text draws on new interviews with family members, other gangsters, Colombian police and judges and other survivors of Escobar's killing sprees, supplemented by contemporary photographs by Mollison of Escobar's fleet of planes, his private zoo, arms caches captured by the police--and even Escobar's prison jukebox. A compelling picture story and a landmark in visual journalism.

Mrs Escobar Victoria Eugenia Henao, 2019-08 The closest you'll ever get to the most infamous drug kingpin in modern history, told by the person who stood by his side The story of Pablo Escobar, one of the wealthiest, powerful and violent criminals of all time has fascinated the world. Yet the one person closest to him has never spoken out - until now. Maria Victoria Henao met Pablo when she was 13, eloped with him at 15, and despite his numerous infidelities and violence, stayed by his side for the following 16 years until his death. At the same time, she urged him to make peace with his enemies and managed to negotiate her and her children's freedom after Pablo's demise. On the 25th anniversary of Pablo's death, the most intriguing character in the Escobar narrative is ready to share her story and reveal the real man behind the legend.

The Ayahuasca Visions of Pablo Amaringo Howard G. Charing, Peter Cloudsley, Pablo Amaringo, 2011-05-12 A new collection of never-before-published paintings by renowned artist Pablo Amaringo • With written contributions by Graham Hancock, Jeremy Narby, Robert Venosa, Dennis McKenna, Stephan Beyer, and Jan Kounen • Contains 47 color plates of Amaringo's latest works, with detailed narratives of the rich Amazonian mythology underlying each painting • Shares Amaringo's personal stories behind the artistic visions Recognized as one of the world's great visionary artists, Pablo Amaringo was renowned for his intricate, colorful paintings inspired by his shamanic visions. A master communicator of the ayahuasca experience--where snakes, jaguars, subterranean beings, celestial palaces, aliens, and spacecraft all converge--Amaringo's art presents a doorway to the transcendent worlds of ayahuasca intended for contemplation, meditation, and inspiration. Illustrating the evolution of his intricate and colorful art, this book contains 47 full-color reproductions of Amaringo's latest works with detailed explorations of the rich Amazonian mythology underlying each painting. Through their longstanding relationship with Amaringo, coauthors Charing and Cloudsley are able to share the personal stories behind his visions and experiences with Amazonian people and folklore, capturing Amaringo's powerful ecological and spiritual message

through his art and words. With contributions by Graham Hancock, Jeremy Narby, Robert Venosa, Dennis McKenna, Stephan Beyer, and Jan Kounen, this book brings the ayahuasca experience to life as we travel on Amaringo's visionary brush and palette.

Down the Rabbit Hole Juan Pablo Villalobos, 2012-10-02 A brief and majestic debut. —Matías Néspolo, *El Mundo Tochtli* lives in a palace. He loves hats, samurai, guillotines, and dictionaries, and what he wants more than anything right now is a new pet for his private zoo: a pygmy hippopotamus from Liberia. But Tochtli is a child whose father is a drug baron on the verge of taking over a powerful cartel, and Tochtli is growing up in a luxury hideout that he shares with hit men, prostitutes, dealers, servants, and the odd corrupt politician or two. Long-listed for The Guardian First Book Award, *Down the Rabbit Hole*, a masterful and darkly comic first novel, is the chronicle of a delirious journey to grant a child's wish.

The Religious Art of Pablo Picasso Jane Dillenberger, John Handley, 2014-04-17 This is the first critical examination of Pablo Picasso's use of religious imagery and the religious import of many of his works with secular subject matter. Though Picasso was an avowed atheist, his work employs spiritual themes—and, often, traditional religious iconography. In five engagingly written, accessible chapters, Jane Daggett Dillenberger and John Handley address Picasso's cryptic 1930 painting of the Crucifixion; the artist's early life in the Catholic church; elements of transcendence in *Guernica*; Picasso's later, fraught relationship with the church, which commissioned him in the 1950s to paint murals for the Temple of Peace chapel in France; and the centrality of religious themes and imagery in bullfighting, the subject of countless Picasso drawings and paintings.

Star Wars: The Force Awakens The Visual Dictionary Pablo Hidalgo, 2015-12-18 Explore the characters, Droids™, aliens, and creatures of the latest chapter in the Star Wars™ saga in this definitive guide to *Star Wars: The Force Awakens™*. Written by Lucasfilm insider Pablo Hidalgo, *Star Wars: The Force Awakens The Visual Dictionary* offers an inside look into the film; and pop culture website i9 says the book gives fascinating insight into the world behind the movie. Named a Young Adult Library Services Association (YALSA) Quick Pick for Reluctant Young Adult Readers, the book's beautiful photography and authoritative text will also appeal to adult fans. Learn the names and explanations behind all the details of costumes, weapons, and accessories and discover the dark origins of Kylo Ren. Including three exclusive, specially-commissioned cutaway models produced by Industrial Light & Magic model maker John Goodson, *Star Wars: The Force Awakens The Visual Dictionary* is the perfect addition to any fan's bookshelf. © & TM 2016 LUCASFILM LTD. Used Under Authorization.

White Mountain Pablo Ortiz Monasterio, Antonio Saborit, Margo Glantz, 2010 This book, an assemblage of photographic pieces, had an uncertain genesis. A contradictory memory of our ancestors, "the ancients", when they were mountains, the primordial days of the volcano-woman and volcano-man, an age of giants that inhabit our imagination and of geological forces that give a body and face to the Nation. In the center of Mexico it is common to find painted walls, ceramic Ware,

calendars, key chains, drums, ashtrays, pony glasses, and a long etcetera of decorative objects bearing depictions of foundational myths, the origins of woman, of man, of the Nation, on their motley surfaces. At the same time, the forms and styles of all this paraphernalia, the materials employed, the way it is distributed and made use of, clearly reflect our collective visage. The ancient Mexican codices are fundamental documents in the country's collective imagination. This book honors that memory.

Andes Pablo Corral Vega, Mario Vargas Llosa, 2001 Acclaimed Ecuadoran photographer Pablo Corral Vega teams up with world-famous novelist Mario Vargas Llosa to create a beautiful tribute to the Andes and the countless colorful communities that make up its cities and villages. 90 photos.

Brida Paulo Coelho, 2009-10-13 New York Times Bestseller "In *Brida*, my third novel, which I wrote just after *The Alchemist*, I tell the story of a young woman who dives into sorcery and her experiences with different magical traditions. I explore many themes that are dear to me, such as the Great Mother, pagan religions, and the perceptions of love." -- Paulo Coelho This is the spellbinding tale of *Brida*, a beautiful young Irish woman, and her quest for knowledge. On her journey, she meets a wise man who teaches her about overcoming her fears, and a woman who teaches her ancient rituals. They see in her a gift, but must let *Brida* make her own voyage of discovery.

The Absent Image Elina Gertsman, 2021-06-24 Winner of the 2022 Charles Rufus Morey Award from the College Art Association Guided by Aristotelian theories, medieval philosophers believed that nature abhors a vacuum. Medieval art, according to modern scholars, abhors the same. The notion of horror vacui—the fear of empty space—is thus often construed as a definitive feature of Gothic material culture. In *The Absent Image*, Elina Gertsman argues that Gothic art, in its attempts to grapple with the unrepresentability of the invisible, actively engages emptiness, voids, gaps, holes, and erasures. Exploring complex conversations among medieval philosophy, physics, mathematics, piety, and image-making, Gertsman considers the concept of nothingness in concert with the imaginary, revealing profoundly inventive approaches to emptiness in late medieval visual culture, from ingenious images of the world's creation ex nihilo to figurations of absence as a replacement for the invisible forces of conception and death. Innovative and challenging, this book will find its primary audience with students and scholars of art, religion, physics, philosophy, and mathematics. It will be particularly welcomed by those interested in phenomenological and cross-disciplinary approaches to the visual culture of the later Middle Ages.

Pablo Escobar and Colombian Narcoculture Aldona Bialowas Pobutsky, 2020-03-18 In the years since his death in 1993, Colombian drug lord Pablo Escobar has become a globally recognized symbol of crime, wealth, power, and masculinity. In this long-overdue exploration of Escobar's impact on popular culture, Aldona Bialowas Pobutsky shows how his legacy inspired the development of narcoculture—television, music, literature, and fashion representing the drug-trafficking lifestyle—in Colombia and around the world. Pobutsky looks at the ways the "Escobar brand" surfaces in bars, restaurants,

and clothing lines; in Colombia's tourist industry; and in telenovelas, documentaries, and narco memoirs about his life, which in turn have generated popular interest in other drug traffickers such as Griselda Blanco and Miami's "cocaine cowboys." Pobutsky illustrates how the Colombian state strives to erase his memory while Escobar's notoriety only continues to increase in popular culture through the transnational media. She argues that the image of Escobar is inextricably linked to Colombia's internal tensions in the areas of cocaine politics, gender relations, class divisions, and political corruption and that his "brand" perpetuates the country's reputation as a center of organized crime, to the dismay of the Colombian people. This book is a fascinating study of how the world perceives Colombia and how Colombia's citizens understand their nation's past and present. A volume in the series Reframing Media, Technology, and Culture in Latin/o America, edited by Héctor Fernández L'Hoeste and Juan Carlos Rodríguez

Ugly Cat & Pablo Isabel Quintero, 2017-04-25 From the 2015 winner of the ALA William C. Morris Award comes a humorous chapter book series about a not-so-attractive cat and his well-dressed mouse friend. Ugly Cat is dying for a paleta, or ice pop, and his friend Pablo is determined to help him get one by scaring a little girl who is enjoying a coconut paleta in the park. Things go horribly wrong when, instead of being scared, the little girl picks Pablo up and declares that he would make a great snack for her pet snake. Oh and there's also the small problem that Ugly Cat may have inadvertently swallowed Pablo in all of the commotion! Ugly Cat and his impeccably dressed mouse friend, Pablo, are an unlikely and dynamic duo who will win young readers over with their ridiculously silly antics and their search for tasty treats.

Encryption and Decryption Algorithms for Plain Text and Images using Fractional Calculus Rafael Martínez-Guerra, Juan Javier Montesinos-García, Juan Pablo Flores-Flores, 2023-01-17 This book offers an alternative for encrypting and decrypting messages using objects called integer and fractional-order estimators or observers, by means of security codes. The authors first establish the class of observers capable of carrying out this work. Then, the type of observers to treat either the integer or fractional order type and their main characteristics is mentioned. The book also presents an essential property of some systems such as Liouville, which is vital for the encryption and decryption of messages in integer and fractional order nonlinear systems by using the synchronization property of chaotic systems. Finally, it addresses some logistic maps such as Mandelbrot sets including Julia and fractal sets, taking advantage of their characteristics to encrypt or recover messages.

How Are You Feelin', Juan Pablo Chameleon? Dan St. Romain, Suzan Browning, 2015-01-01

Ode to an Onion Alexandria Giardino, 2018-10-09 A poetic, beautifully illustrated picture book inspired by Ode to the Onion by Chilean poet Pablo Neruda (1904-1973). Includes facts about Neruda and his muse Matilde, along with the original poem in Spanish and English. Full color. 1/5.
